PRAYERS OF THE SOCIETY.

BEFORE THEY COMMENCE BUSINESS.

PREVENT us, O Lord, in all our doings, with Thy most gracious favour; and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ Our Lord.—Amen.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady Queen Victoria, and so rule her heart, that she may in all things seek Thy honor and glory. Prosper with Thy blessing the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labours of those Missionaries who are promoting the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord.—Amen.

O MERCIFUL GOD, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end.—Amen.

OUR Father, which art in Heaven, Hallowed be Thy name. Thy Kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; For Thine is the kingdom, and the power, and the glory, for ever and ever.—Amen.

WHEN THE BUSINESS IS ENDED.

THE grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore.—Amen.

REPORT.

We are permitted once more to assemble together for the maintenance and extension of the Church of Christ, and many motives for gratitude to our Heavenly Father are presented to our minds. To be made instrumental in such a work may well be considered one of the greatest privileges we enjoy. Other means might be used by Infinite Wisdom to extend the knowledge of Salvation, and we would lose the benefit which a participation therein must confer. While, therefore, we are bound to give humble and hearty thanks for the many blessings vouchsafed to the Society since our last Anniversary, we should also be unfeignedly thankful for having been suffered to co-operate in this blessed work.

Since we last met together, an Act has passed the Legislature to incorporate this Society. This boon, granted during the last Session, without the least infringement of our Constitution, was unanimously accepted at a Special Meeting of the Society in June last, and received, at the same time the approval of the Lord Bishop. While this measure will greatly facilitate the operations of the Society, and afford it the protection of the Law, it will aid in giving permanence to the Institution and invite increasing confidence and support.

It must be felt as a matter of deep thankfulness that a larger amount than heretofore is this year placed at the disposal of the Society. This increase, small indeed compared with what it might be, especially considering the general prosperity which exists, and the wants which the Society is anxious to relieve, yet encourages the hope that the Most High will be pleased year by year to make it more effective in carrying out his gracious will. It is cheering also to find that the Members of the Church are more alive to a sense of their duty to give with "a willing mind," and also to unite in counsel and action for the general good. In this respect, the co-operation of the Laity becomes of the utmost importance, and infuses healthy and vigorous action into the whole body. And while the Church is thus benefitted by the talent and experience of her Members, it cannot but be good for themselves to have their attention drawn for a little to objects of more importance than the every day business of the world. Among the many which this Society brings together, it may happen that some diversity of opinion exists, as to the best

mode of carrying out its various objects; but yet on the whole our proceedings have been marked by unanimity, good feeling, and mutual confidence. This is one of the many advantages peculiar to this Society, and surely not the least ground of thankfulness to the "Author of Peace and Lover of Concord."

Among the events of interest to the Society and the Church in general during the past year, is the consecration of the Cathedral, which took place on the 31st of August last, and has since been regularly open for Divine Worship. This work, brought to completion by the energy and untiring zeal of the Lord Bishop, all must hope, will be productive of that benefit to the Church which its founder has anticipated.

The Churches at Moncton, Queensbury, and Black River, all assisted largely by the Society, have been consecrated since our last Meeting, and several others are in process of erection.

Although no new Missions have been opened, those already supported by the Society have been kept up, and during the past year the Rev. W. H. Shore was employed as a Travelling Missionary to visit the County of Restigouche, of which an account is given in the succeeding Report. It is earnestly to be hoped that this most important portion of the Diocese will ere long be supplied with the regular ministrations of the Church.

The grants of Books to the various Local Committees have been mostly supplied by the Depositories, and Bibles, Prayer Books, and various Religious Works have been sold for cash, to the amount of more than £150.

From the following abstract of the Returns of the Local Committees the Society will find much reason for encouragement.

ST. MARK'S.—Rev. G. M. Armstrong reports contributions from this Parish, as follows: Schools, 6s.; general purposes, £60 15 6; 1st Collection, £4; 2d do. £14 12 7; Total, £79 13 1.

ST. ANDREWS.—Rev. Dr. Alley in forwarding the returns from this Mission, (which are as follows: Contributions, £18 7 6; 1st Collection, £3 10; 2d do. £3 8 6; Total, £25 6;) again expresses much regret that he is prevented by the inclement season of the year from attending the meetings of the Society, and he trusts an alteration will this year be made so as to enable many to attend at much less expense and personal risk.

KINGSCLEAR.—Rev. J. Black reports, Contributions, £10 12; 1st Collection, £1 11; 2d do. £1 13 9; Total, £13 16 9.

SPRINGFIELD.—Rev. C. P. Bliss in enclosing the returns from this Mission, (which are: Contributions, £11 10; 2d Collection, £2; Total, £13 10;) writes that the Committee at their meeting on the 29th December, passed the following Resolution:

"That the thanks of this Committee are justly due to the Diocesan Church Society for the grants given for several years past in aid of this Mission, and that application be made for a continuance of the same."

A return from this Mission for the past year, was forwarded by the Rev. R. D. Palmer, which reached the Secretary too late for the Report, as follows: £1 15; 1st Collection, £1; 2d do. £1 3 2; Collection, Irish Settlement, 9s.; do. English Settlement, 12s. 6d.; Total, £4 19 8.

WESTMORLAND.—Rev. Donald M. Bliss reports, Contributions, £11 7 6; 1st Collection, £1 10; 2d do. £1; Sale of Books, 7s 6d; Total, general purposes, £14 5.

CHATHAM.—Rev. Samuel Bacon is happy in being able to remit an increased amount of contributions this year, which are as follows:—Contributions, £16; 1st Collection, £2 11; 2d do. £5 5 4; Total, £22 16 4; Sale of Books, £2.

The Annual Meeting of this Committee was held in St. Mary's Chapel on the Festival of St. Andrew, when the following Resolutions were passed.

1. That this Committee view with inexpressible satisfaction the increased and increasing prosperity of the Diocesan Church Society, and are more than ever convinced of the paramount importance of the institution for the promotion of the various benevolent objects it embraces.

2. That this Committee return thanks for the last grant of books, and trust they may receive an equal share in the next appropriation.

3. That this Committee strongly recommend to the favourable consideration of the Society, Mr. John Smith, Teacher of the Madras School, in consequence of his having for many years superintended a Sunday School under the auspices of the Rector, for which this Committee deem him justly entitled to reward.

MONCTON.—Rev. W. N. Boyer reports, £5 13 2 as the amount of contributions for general purposes, and reports that he can make no returns of Semi-Annual Collections, owing to increased expenses necessarily incurred in the Church. "The progress of the Church," he writes, "is in every sense onward; the communicants are on the increase. My own position, as Pastor, is made comfortable; the people of their substance, which is not always large, giving cheerfully and kindly."

GREENWICH and PETERSVILLE.—Rev. J. Bartholomew writes thus: This Local Committee desire to express their deep sense of obligation to the Society for its continued aid to their Mission, and earnestly pray, that it may long continue a blessing to this and other portions of the Diocese which are recipients of its bounty.

They regret that they cannot report the completion of the Church at Douglas Valley, but they trust as their funds have lately been increased by an appeal to New York Churchmen, to finish the edifice early in the summer. They need not say how much their gratitude would be increased by a further grant to this object, if not contrary to the custom of the Society.

The contributions are a little in advance of those of last year, which though small compared with the extent of the Mission, give good evidence of continued attachment to the Church; especially when regarded in connection with the general payment of the free will offerings and the other dues of the Clergyman.

GAGETOWN.—The Rev. N. A. Coster reports, Contributions and Collections to the amount of £6 12 11, together with £11 1 3 paid to the Treasurer by N. H. DeVeber, Esq.; Total, £17 14 2.

GRAND MANAN.—Rev. G. T. Carey forwards a subscription list amounting to £4 5, with a request for a grant of Books and Tracts for his Sunday School.

CARLETON.—Rev. F. Coster returns a large increase of Contributions, viz.: £14 8; 1st Collection, £4 13; 2nd do. £5 13; Total, £24 14.

FREDERICTON.—This Committee met on the 9th of December, the Venerable the Archdeacon in the Chair, when the following Resolutions were passed.

1. That this Committee are rejoiced to report a larger amount of Contributions this year, which manifests an increased interest in the Society.

2. That it be recommended to the General Committee to appropriate as large an amount for the importation of Books, as a due regard upon the various funds of the Society will admit.

3. That whereas the dissemination of the Holy Scriptures is an obligation of universal application, and one in the discharge of which as Churchmen, we would desire not to be behind other Christians. Therefore Resolved, That this Committee recommend to the serious consideration of the General Committee the subject of the more efficient circulation of the Holy Scriptures, through the instrumentality of this Society.

Contributions are £150 11 10; 1st Collection, Christ Church, £17; 2d do. Cathedral, £12 5 2; 1st do. St. Ann's Chapel, £2 12 11; 2d do. St. Ann's Chapel, £2 10; Total, £184 19 11.

NEW MARYLAND.—The Contributions from this Mission are £4 1 9; 1st Collection, 12s 6d; 2d do. 12s 1d; Total, £5 8 4.

ST. JOHN.—William P. Dole, Secretary of this Local Committee, reports the following Contributions, Widows and Orphans' Fund, £5; general purposes, £82 5 6; 1st Collection, £10 2 3; 2d do. £14 1 6; Total, £111 9 3.

SACKVILLE AND DORCHESTER.—Rev. T. N. DeWolf has forwarded to the Treasurer, Contributions from Sackville, £8 2 7½; 1st Collection, 15s; 2d do. 13s; and from Dorchester, £7 1 10½; 1st Collection, 15 10; 2d do. £1 2s 9d; making in all, £18 11 1.

UPHAM.—Mr. J. A. Dodge, as Treasurer of this Local Committee, writes that at the Annual Meeting, held in the Parish Church on the 31st January, Resolutions were passed thanking the Society for its donations to their parochial library and aid to church building in the Mission. They request a renewal of the grant for finishing the Church at Londonderry, which owing to various circumstances, yet remains unfit for Divine Service. They desire also to be remembered in the distribution of Books. Contributions are in all, £25.

SIMONDS.—Rev. J. W. Disbrow writes that at the meeting of this Committee, on the 19th February, the principal object recommended was an additional grant to the New Church at Black River. "Neither pains nor expense has been spared" he says, "in making this building a creditable place of Worship and an ornament to the settlement; and for my own part," he continues, "I desire to offer up my grateful thanks, that God, the Giver and Bestower of all good things, has enabled me to see its completion and to witness the consecration of it to His service alone."

At the time the Committee met, the debt on the Church was £177 5 11, which the inhabitants of Black River have since from their very limited resources reduced to the extent of £50, which together with contributions from a few kind friends in Saint John, and the collection on the day of consecration has reduced the amount expended to about £100. Though it is expected that every effort will be made by the residents in the settlement to relieve the writer from so great a responsibility, yet owing to the high price of provisions, not much more may be looked for from them. It is therefore, with many thanks for the former grant, that a further appeal is made to the Society.

The contributions, notwithstanding the urgent call made upon the people for the erection of this Church, are £10 1 6.

ST. JAMES.—H. W. Frith, Esq., Secretary of this Local Committee, reports Contributions for general purposes, £25 14 4½; 1st Collection £4 0 8; 2d do. £5 13; Widows and Orphans' Fund £2; Total, £37 7 10½.

A further sum of 10s. was forwarded by Mr. Frith, being additional subscription for the past year, but came to hand too late for the Report.

PRINCE WILLIAM.—Rev. J. Elwell reports, Contributions, £5 19; Collections, £3 13 6; Sale of Books, 10s; Total, £10 5.

HOWARD SETTLEMENT, DUMFRIES.—Rev. Thomas Hartin, in forwarding the Contributions from this Mission which amounts in all to £10 11 6½, thanks the Society for the grant of Books which he found exceedingly useful. He

writes, that although since June last he has been engaged in Missionary labours in the Howard and River Settlements, only half of his time, yet he is able to report that the prospects of the Mission are very encouraging and the Services continue to be well attended.

Early in June last, he began his visits as Missionary to the labourers on the St. Andrews and Quebec Railroad, to whom he has since devoted one half of his time. He states that he was most kindly received by the labourers as well as the residents on the line; and met with much encouragement from the Rev. Dr. Alley, the Board of Directors, and the Superintendents of the Works. He found about four hundred men employed on the line, many with large families, and for the most part members of the Church of England. Many more are expected early in the spring. He earnestly solicits a grant of Prayer Books and Tracts for distribution. The distance from the Howard Settlement to the place on the Railroad where Divine Service is performed is about one hundred miles.

ANDOVER and GRAND FALLS.—Rev. S. J. Hanford in forwarding the returns from this Mission, which shews an increase over the past year, thanks the Society for the last grant of Books, which he hopes will be repeated at the next appropriation.

GLENELG, NELSON, and the Settlements on the South West Branch of the Miramichi.—Rev. J. Hudson reports that a protracted sickness and a succession of severe snow storms prevented him and his people from holding their Local Meeting at the usual season. These causes, and the duties he had to discharge to the other widely scattered Settlements in this still extensive Mission, obliged him to defer that Meeting until the 30th ult., when a Resolution was passed "expressive of the people's sense of the great importance of the objects provided for in the Society's Constitution, and their determination to use their best endeavours to promote the same in this Parish." A similar Resolution was also carried at a Meeting of Churchmen in the Nelson Settlement, on the 13th ult.; but the day appointed was unfavourable and not many were present. It is, however, pleasant to add that the offerings to the Society from this Parish alone amount to £7 10 8.

Although the prospects of the Church in this District have not materially changed during the past year, still the Mission is by no means in such a condition as the writer could wish, and as he thinks it might be, if there were employed in it other and more earnest minded labourers; men of the right stamp; men, who for a while would be contented with food and raiment, and who would count not their lives dear unto themselves for the sake of Christ and the Church. May such labourers soon be sent forth into this portion of the Lord's Vineyard! But notwithstanding all his difficulties and discouragements the Missionary is not yet cast down; he intends to take courage and go on, and concludes his report with an expression of his grateful acknowledgements for the uniform kindness, sympathy and support which he has hitherto received from the Diocesan Church Society; and humbly asks the prayers of all its Members, that he may be enabled to fulfil the duties of his office to the glory of God, the honour of the Church, and the good of his fellow men.

The returns alluded to are as follows: Glenelg, Church of St. John the Evangelist, £7; Newcastle, do. St. Andrew, £6 1 44; Nelson, do. St. Peter, £7 10 8; Blackville, Church of the Holy Trinity, £4 19 114; Ludlow, £2 15 64; A Ludlow Landlord, £1 3 4; Boies' Town, £1 19 74; Sundry offerings after Churchings, 8s. 104d.; Books sold, £4 4 04; Total, £36 8 4.

SHRDIAC.—Rev. Dr. Jarvis reports contributions from this Mission, £7; 1st Collection, £2; 2d do. 1; Total, £10.

The return from Cogaing and Buetouche for the past year, arrived too late for the Report; Dr. Jarvis having remitted to the Treasurer, £2 15 from that Mission, collected by the Rev. A. W. Weeks.

St. MARYS.—Rev. Wm. Jaffrey in forwarding the contributions from this Committee, which a little exceed those of any former year, conveys an expression of thanks to the Society for its liberal grants to this Mission. They beg to recommend to the consideration of the General Committee a grant to aid in erecting the Church commenced in the lower part of the Parish of Douglas. The Missionary concludes by saying that he has had during the past year, 34 baptisms and six burials. He has held 128 Services and travelled in the performance of his duties 2,500 miles. The contributions are £10 19 4½; 1st Collection, 17s. 4d; 2d do. £1 3 6½; Sale of Books, 5s; Total, £13 5 3.

PORTLAND.—Rev. W. Harrison has forwarded to the Treasurer, £11 1 3 for general purposes of the Society.

St. PAUL'S DISTRICT—Portland.—Rev. C. Lee, in enclosing the returns from this District, writes that he was pleased to find in making up the subscription a cheerful readiness to contribute to the Society, and a liberality in many instances which gave rise to much thankfulness. He found the grant of books made last year, of service in his Sunday School, and hopes to be remembered in the next distribution.

Contributions, £48; 1st Collection, £9; 2d do. £5; Widows and Orphans' Fund, £10; Total, £72.

WESTFIELD.—Rev. C. Milner has remitted Contributions, £11 16 6½; Collections after Sermons, £3 3 5½; Total £15.

SUSSEX.—Rev. T. McGhee reports contributions as follows: Books and Tracts, £1 10; Aged Clergy fund, 15s; Widows and Orphans' do. £1 10; general purposes, £4 8 5. 1st Collection, £1 15 3; 2d do. £2 1 10; Total, £12 0 6.

St. GEORGE.—Rev. J. McGivern forwards the following Resolutions which were unanimously passed at a meeting of this Local Committee, held in Saint Mark's Church on the 8th inst.

1. That in the opinion of this Committee each succeeding year demonstrates most clearly the value and importance of this Society's operations in connection with the wants of the Church in this Diocese.

2. That bearing in mind the Apostle's words: "Be ye all of one mind," we recognise in the Society one element of Christian unity, which under God and by the influence of whose Spirit, "the whole body of the Church is governed and sanctified," must eventually tend to the increase of the Church amongst us, by making us all "of one heart and of one soul."

3. That thanking the Society for the last year's grant to their Mission, an equal amount of Books be requested for the present year.

The amount of contributions is as follows: Saint George, £22 6 6; Pennfield, £3 12 9; Total, £25 19 3.

In transmitting the foregoing resolutions, Mr. McGivern begs to express the hearty good-will and ready co-operation of the people of this Mission in behalf of the Society. This will appear by the increase of nearly seven pounds in their contributions on the last year. He regrets that the length of the journey and the inclement season of the year hinder him from having the pleasure of attending the Meetings of the Society.

RICHIBUCTO.—Rev. J. Neales encloses returns from this Mission, which shew an increased amount of Contributions, viz.: Subscriptions, £31 15; 1st Collection, £1 10; 2d do. £3; Total, £36 5. "What gratified me very much," he says, "in my collections, is the liberality with which the poorer Members of the Church subscribe, affording a convincing argument that she is the Church of their affections, by which without partiality they have the Gospel preached to them."

HARVEY AND HOPEWELL.—Rev. R. D. Palmer encloses several Resolutions passed at Meetings held at both these places, in which they thank the Society for the former grants to the Mission, and pray that the same may be continued to the present Missionary.

The Committee at Harvey requests an addition to the former grants to the Church, as that made last year was found insufficient to finish the building.

The Hopewell Committee pray the Society to withdraw the conditions attached to the grant for their Church, as they are at present unable to procure sufficient funds to complete the exterior of the building without the assistance of the Society.

Contributions from Harvey,	£4	16	3
2d Collection, do.	0	15	0
	£5	11	3
Do. for Hopewell,	2	10	7½
	£8	1	10½

LANCASTER.—Rev. T. R. Robertson regrets that owing to severe illness, he has not been able to finish his Collection. Had it been otherwise, he is prepared to say the amount would have exceeded that of the last year. The Contributions are, Widows and Orphans' Fund, £5; general purposes, 17s. 6d.; Collection, £3 3 7; Total, £9 1 1.

CAMBRIDGE, Queen's County.—Samuel J. Scovil, Esquire, has remitted to the Treasurer £16, Contributions for the general purposes of the Society.

KINGSTON.—Rev. W. E. Scovil writes that this Committee met on the 19th of December, at which the following Resolutions were passed: "That in the more than usual prosperity with which a kind Providence has of late blessed the inhabitants of our Province in temporal concerns, there is a call upon Churchmen for corresponding exertions in order to forward the spiritual interests of their fellow men; and we therefore recognise the obligation to contribute, in proportion to our ability, to promote the Missionary and other religious objects of our Diocesan Church Society."

"It is satisfactory," Mr. Scovil continues, "to be able to add that the Contributions from this Parish exceed those of any former year, being £31, of which £1 is limited to Missionary purposes."

WOODSTOCK.—Rev. S. D. Lee Street writes, that at a meeting of this Local Committee, held at Saint Luke's Church on the 15th January, sincere thanks were returned for the grant of Books to the Lending Libraries at Woodstock, Richmond, and Jacksontown, which it was hoped would be repeated this year; and it was unanimously resolved—1. That this Committee cannot but feel a deep sense of gratitude to the Almighty Dispenser of events, in that it hath pleased him, of his goodness, mercifully to bless the labours of the Church Society in making it the instrument of disseminating more widely the means of grace, and that this Committee earnestly pray that God may continue to bless it with increasing usefulness.

2. That this Committee return their sincere thanks to the Society for its ready response to their application for further aid towards the support of the Curate in this extensive Mission, by whose unwearied zeal and ready co-operation the Rector has been enabled to accomplish five Sunday Services, whereby the Churches in the adjoining Parishes are regularly served, while at the same time, the instruction of the young members of the Church have been greatly promoted by Mr. Willams' valuable assistance.

3. Whereas the Glebe house is in a very decayed state, and quite unfit for a place of residence, many repairs and additions being requisite; and whereas the many calls upon the united means of the Churchmen in this Parish will render it almost impossible to raise the amount required, Therefore Resolved, That the Diocesan Church Society be humbly solicited for aid towards this object.

Contributions, £47 5 11½; Collection, £2 18 3½; Total, £50 4 3.

CAMPOBELLO.—Rev. R. Simonds has forwarded Contributions, £6 5 6; 2d Collection, £1 4 6; Total, £7 10.

DOUGLAS.—Rev. A. V. Stuart reports that this Committee, at their meeting on the 9th of January, after Prayers, and the election of Lay Delegates, passed a resolution, thanking the Society for the grant of £15 towards the erection of a Church in the lower part of this Parish. The building is in a good state of progress; most of the material being already on the ground, and there is every prospect, under the Divine Blessing, of its being completed during the ensuing summer.

As the cost of the Church is much increased by the determination to build of stone, and will not fall short of £400, the Committee earnestly request a further grant of at least £25.

The Committee take this opportunity to acknowledge with sincere thanks, the following contributions to this object: His Excellency Sir Edmund and Lady Head, £30; The Society for Promoting Christian Knowledge, £50; an English Churchman, 10 guineas.

The Committee conclude by expressing themselves exceedingly alive to the usefulness of the Society, and believing that the blessing of God is abundantly resting upon it.

Contributions are £15 18 0½; Collections, £2 9; Total, £18 7 0½.

St. STEPHEN.—N. Marks, Esquire, has remitted £19, the amount of contributions and collections from this Mission.

St. DAVID.—Rev. J. S. Thomson reports unabated interest in the prosperity of the Society. He regrets that the amount contributed falls short of last year, but he is not surprised as the members of the Church throughout the Parish have with but a solitary exception contributed most liberally towards the erection of a new Church, which they have found to be absolutely necessary; the old building not only being almost unfit for Service in the Winter, but its position renders it at that season most difficult of approach. Whilst the Missionary and his people are most grateful for past grants, they crave an addition to that of last year, in aid of the contemplated Church, which they feel confident will be required the ensuing summer, and all hope that when the difficulties and expenses of erecting a sanctuary more worthy of the worship of Almighty God shall have been surmounted, they may be enabled again to resume their former contributions, which amount this year to £6 2 6.

QUEENSBURY.—Rev. H. W. Tippet reports £6 11 10 as the amount of contributions from this Mission, and applies for a grant towards liquidating the debt on the Parish Church.

MAUGERVILLE AND BURTON.—Rev. Dr. Wiggins encloses returns as follows: Maugerville, £9 6; Widows and Orphans' Fund, £1; 1st Collection, 16s. 6d.; 2d do. 10s. 4½d.; Total, £11 12 10½. Burton, £6 11 11; Widows and Orphans' Fund, £4 15; 1st Collection, £1 8 8; 2d do. £1 12 10½; Total, £14 8 5½. Additional by Dr. Wiggins, 10s.; in all, £26 11 4.

Additional subscriptions were forwarded from Maugerville too late for last year's report, amounting to £1 1 3.

NORTON.—The Rev. E. A. Warneford forwards an increased amount of contributions, viz.: £15 8 11; 1st Collection, £2 10; 2d do. 17s.; Total, £18 15 11, and writes, that this Local Committee met on the 28th January, and passed the following Resolutions: "That this Meeting do tender their thanks to the Society for the two liberal grants towards the Parsonage, and request still further aid."

They also express their thanks for the grant of Books, and trust they will be remembered again this year.

WELDFORD.—Rev. D. J. Wetmore reports the sum of £9 12 9, as the amount of contributions from this Mission.

HAMPTON.—Rev. W. W. Walker reports contributions and collections amounting to £28 1 5½, and that additional subscriptions will be added so as to make the amount equal to that of the last year.

TRAVELLING MISSIONARY.—The Rev. W. H. Shore has given the following account of his Mission to the County of Restigouche: "I was desired by the Bishop to remain four Sundays in the District assigned to me; but on arriving at Bathurst, I was requested to remain there a Sunday, in consequence of the absence of the Rector. Mr. Disbrow's Station being the most northerly in this portion of the Diocese, there remains a large District without a resident Clergyman of the Church of England, comprising the whole County of Restigouche.

From Bathurst to Upsalquitch, (the farthest point to which I travelled), the distance is about ninety six miles, and the whole Country along this line of road, besides many Settlements which lie off the main line, is without any clerical supervision in connection with the Church of England, except that of an occasional visit like my own, or from Mr. Disbrow or the Rural Dean.

I performed Divine Service twice or thrice on Sundays, and on Wednesdays and Fridays at the following Stations: Dalhousie, Eel River, Campbellton, and at the School House near Flatlands, and found the attendance good, and every where a desire evinced for a resident Clergyman. It would not perhaps be possible to compute the number of Churchmen in the different localities; but if the attendance at the Services I held is any indication of their number, there is even now work enough for more than one Missionary. In a District so neglected, it will not be a matter of surprise that the state of moral and religious feeling should be very low; this fact I learned as well from some of the more serious persons there, as from my own experience. To show that the desire for a resident Clergyman is more than in word only, I may mention that previous to leaving Dalhousie, a Meeting was held for the purpose of considering the propriety of building a Church in that place, and that upwards of £130 was subscribed for the purpose. I have therefore procured a model of a simple Church in the early English style to accommodate one hundred and fifty persons, and have obtained a few subscriptions, I regret very few—to aid in carrying out this desirable object. The County of Restigouche is a thriving and beautiful portion of the Diocese, and will not, I trust, be long without the advantages of a resident Clergyman.

It may not be out of place to say that I was most hospitably entertained during my stay, by A. Barbarie, Esquire, and received in every part of the District, most kind and cordial hospitality.

From the foregoing returns, it appears that the following sums have been contributed to the various objects of the Society for the current year, viz. :—

Missionary Visits, £1; Schools, 5s.; Books and Tracts, £1 10; Aged Clergy Fund, £2 15; Widows and Orphans' Fund, £29 5; General Purposes, £1131 14 5½; Total, £1166 9 5½.

It is often remarked as a matter of regret that more missionary intelligence is not furnished to the Society. In the field of labour which it assists in occupying, there must often occur much that would render the Annual Report more useful and interesting, and either encourage the members of the Society to more activity and zeal, or enlist their sympathies in cases of spiritual destitution which ought to be relieved. But whether reported to us or not, the work goes on. The Word of God is preached. The Sacraments are administered. This is done in many places where but for this Society, the sound of the blessed gospel would be unheard. Some, we may hope, are now with Christ, others becoming fitted for his Heavenly Kingdom who, else might have perished forever. But

The Bishop requests the Clergy to be so good as to preach the Sermons for the Church Society in June and October, and if possible, not to delay the second sermon to the latter part of the month, as the weather is often unfavourable to a collection.

ERRATUM.—Mrs. W. H. Scovil, a Life Member, omitted to be inserted on page 44.
